What makes these prizes eco-friendly?

Tesla Model X

Better for the environment, Tesla cars emit fewer greenhouse gases and zero air pollutants compared to petrol or diesel cars. With more power and quick acceleration, Model X Plaid is one of the highest performing SUV ever built!

Tesla Model 3

With reduced carbon footprint and zero exhaust gas pollutants, you drive knowing you are contributing to sustainable transport and energy. Model 3 is fully electric with around 550 km of estimated range, so you never need to visit a gas station again.

Breitling Watch: Classic AVI

The pioneering Pilot's watch by the Swiss luxury watchmaker, presented to you in the first eco-friendly, foldable and reusable watch box made from 100% upcycled materials. With a focus on sustainability, Breitling has not only achieved carbon neutrality, but is also taking steps towards eliminating plastic waste across operations.

Premium Eco-friendly Tourism for 2

Enjoy an all-expenses paid trip for 2 to Norway, one of the most sustainable countries in the world, truly 'Powered by Nature'. Considered a world leader in the use of renewable energy, green technologies and sustainable resource handling.

Electric Bike & Accessories (Logo e-bikes, XD 02)

Save up to 500 pounds of carbon emissions each year by driving E-bikes! Drive up to 70 kilometres on the ultra light weight bike on your next urban trip! Easily navigate this zero-emission vehicle around traffic and make your commute faster!

Electric Scooter & Accessories (Xiaomi Scooter Ultra 4)

Generate no exhaust fumes, contributing to zero air pollution whenever you kick off and go!
